

Can God turn **tragedy**
into **triumph?**

In 1978 a fire destroyed Dr John Vaughn's home and left his wife Brenda and their two-year-old daughter Becky severely burned. What followed was a seemingly endless journey of suffering and upheaval, yet God was able to bring great blessing from this tragic event.

Come and hear how God can give hope to all who despair.
You will not forget this inspiring testimony of triumph over tragedy.
